

RRDC Community Liaison

Introduction

Snowline Gold Corp is a Yukon-based mineral exploration & development company focused on advancing our flagship Valley Gold Project and advancing early-stage gold projects in the east-central Yukon approximately 200km north of Ross River. We are building a leading company fit for the future while aiming to set new standards in social and environmental responsibility.

Details

Reporting to the VP Sustainability & External Relations, the RRDC Community Liaison will play a vital role working closely with the Ross River community, Ross River Dena Council (RRDC) and Kaska Nation members. Experience working with local communities, community partnerships, planning and implementing programs, along with strong organization and communication skills would be valuable for this position. The RRDC Community Liaison will provide a very important communication link between RRDC, local community members and Snowline across all aspects of work.

Location: Ross River, YT

Schedule: Flexible - Expected 20hrs/week Monday to Friday, with increased hours during busy periods or community events. This is a permanent position.

Key Requirements

- A member of Ross River Dena Council (RRDC), and a primary residence in Ross River (Ideally).
- Possess a valid Driver's License.
- Open to travel to Whitehorse (Snowline office) and camp for several days at a time

Experience & Key Skills

- Support the development and implementation of a local community recruitment and training strategy (including job readiness).
- Support local candidates in applying for jobs with Snowline (may include assistance with the preparation of job applications and arranging interviews).
- Support Ross River based employees working on regular site rotations.
- Regularly meet with employees to discuss their experience and progress working at site.
- Work with local organizations to identify training needs and options to deliver training in the community.
- Provide project information to community members on ongoing and planned future project activities. This may include assisting in the organization of open houses, community meetings and project information sessions.
- Communicate details on current or upcoming contracting opportunities to RRDC members and business owners.
- Identify opportunities for Snowline to contribute to community activities or support community and RRDC-led programs.
- Research funding sources to collaborate with RRDC and local community members or further education/training opportunities.
- Promote RRDC and Kaska cultural awareness within Snowline.
- Participate in company activities and events as part of a team working together.
- Participate in environmental, heritage and Traditional Knowledge workshops or meetings
- A high level of attention to detail and a positive attitude.
