

BioClean™ 73-425 Summary

73-425

Ansell's first 400mm/16" clean processed and sterile Neoprene disposable glove

SPECIFICATION

Material	Neoprene (Polychloroprene)
Colour	Brown (Latte)
Typical Length	400mm/16"
Shape	Anatomic with curved fingers (hand specific)
Cuff	Beaded
Sterilization Method	Gamma Irradiated (25 kGy)
External Surface	Textured fingers & palm
Internal Surface	Polymer coated with DERMASHIELD™ technology
AQL	1.5
LPC	< 3500
Shelf Life	3 years
Accelerator Free	Yes
Sizes	6.0 6.5 7.0 7.5 8.0 8.5 9.0

STANDARDS & REGULATIONS

Performance Standards:

EN ISO 374-1 Type A
EN ISO 374-5
CAT III PPE
EN 421
ASTM D6978

Regulatory Compliance:

EU Personal Protective Equipment Regulation 2016/425

Cleanroom Compatibility:

ISO Class 5 & EU GMP Grade A/B

EN ISO 374-1

KLMNPT

VIRUS

CE 0493

APPLICATIONS

- Blending, compounding materials
- Transferring liquid & solids
- Handling and processing of APIs
- Cultivation of microorganisms or cells
- Harvesting & inactivation
- Purification and filtration
- Formulation & fill-finish
- Quality control & testing
- Maintaining lab equipment
- Spill/leak cleanup
- Cleanroom cleaning/preparation
- Sample processing
- Packaging & labelling

KEY USER BENEFITS

Enhanced Comfort

Extra soft material resulting in outstanding comfort, fit, feel and flexibility.

High Chemical Resistance

Exceptional protection barrier against a wide spectrum of chemicals including acids

Double-donnable

Providing extra protection, as an outer glove, reducing the risk of exposure to contaminants or hazardous materials

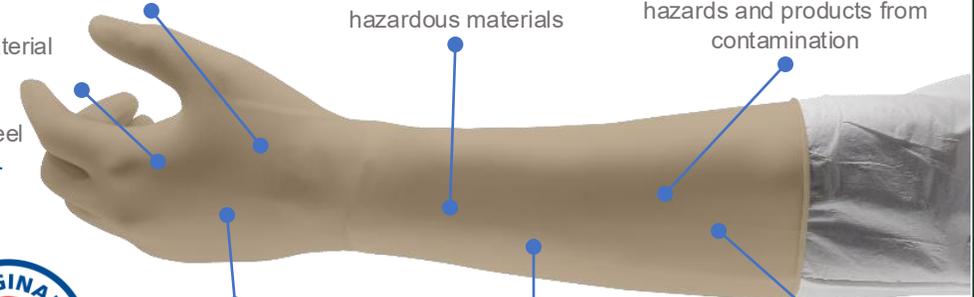

Ansell Earth Latex-free

Extended Coverage

400mm/16inches providing extra coverage of the forearm, protecting operators from hazards and products from contamination

Accelerator-free

Minimizing allergy risks, notably Type IV chemical allergies and sensitivities

Dermashield Technology

Featuring our proprietary inner coating for fast and easy damp or dry hand donning

Chemo Drug Protection

Tested against the most stringent chemo drug standard ASTM D6978

INDUSTRIES

- Pharmaceutical Manufacturing
- Medical Device Manufacturing
- BioPharma
- Laboratory & Research
- Hospital/Compounding Pharmacies
- Central Sterile Services Department (CSSD)
