VIBES LIE. PATTERNS DON'T.

Cray turns “I have a weird feeling” into something you can see.

Answer honest questions about someone you're seeing, talking to, or living with — and get an objective read on the patterns. Private by design. Free forever.

CrayScore™ FREE

Measures red flags — 74 research-grounded questions across 18 categories, from control to deception.

SchemerScore™ FREE

Catches manipulators — is this person deceiving, exploiting, or playing you?

BaeScore™ FREE

Measures green flags — is this relationship actually healthy, or just familiar?

Private means private.

Nothing is posted. Nobody is notified when you run a score. The app even blocks screenshots.
