

What is TEEM?

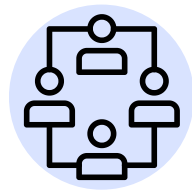

The award-winning **Technology Enabled Engagement with Mentoring™ (TEEM)** bridges the gap between classroom learning and workforce readiness by transforming mentorship into structured, measurable engagement.

The Higher Education Challenge & the TEEM Response

Disconnected Students

TEEM Mentoring: Turn passive learners into career-ready professionals through structured, high-impact online engagements.

Siloed Departments

The Unified Talent Pipeline: Eliminate data gaps between Academics and Career Services with a centralized hub for tracking student–industry interactions.

Legacy Tech Bloat

Scalable, Ready-to-Deploy: Skip the IT headache with a cloud-based solution offering guided agendas, automated surveys, and outcomes tracking out of the box.

How Can TEEM Benefit You?

TEEM validates **workforce-ready skills** through built-in surveys and AI-powered insights, scales **meaningful mentorship** while reducing administrative burden, and delivers **measurable results**, including an **80% increase in mentee career confidence** across 40+ higher education institutions.

Where Do I Begin?

Learn how TEEM can support your higher education institution, contact **Leslie Crowley** at leslie@cteworkforce.com or visit cteworkforce.com/teem-mentoring.
