

## Where Are the Courses?

In the **"My Training Modules"** area of the home page, you can view all available courses. Under the **"Available"** tab you can access the course and enter the registration key (see next pages). After you enroll once, your course will continue to appear under the **"In Progress"** tab.

The TEEM Program is powered by the WlaaS platform from CTEWorkforce. For any further questions, please contact [morgan@cteworkforce.com](mailto:morgan@cteworkforce.com). Thanks!

## Dashboard and Course Location

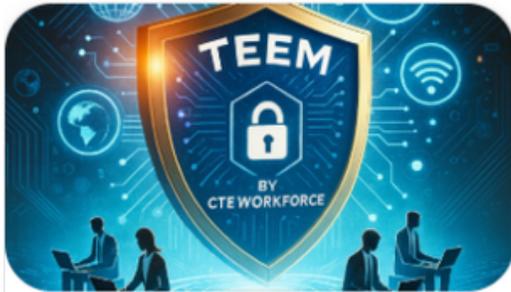

The screenshot displays the CTEWorkforce Management Console dashboard. The top navigation bar includes the CTEWorkforce logo, the text 'Management Console', and user information for 'CD\_Morgan Keener CK'. A sidebar on the left contains navigation links: Site Administration, Dashboard, My Files, Qualifications Profile, Manager Help, and User Help. The main content area is titled 'My Training Modules' and features tabs for 'Available', 'In Progress', and 'Completed'. Under the 'Available' tab, there are two course cards: 'TEEM - Cybersecurity - College Student Mentee' and 'TEEM - Cybersecurity - College Student Mentor'. To the right of the main content, there are three summary cards: 'Online Users' (showing 'No Online Users (last 5 minutes)'), 'Upcoming Events' (showing 'There are no upcoming events'), and 'Private Files' (showing 'No files available'). A 'Qualification Plans' section is partially visible at the bottom right.
