## Capabilities Statement

### About MMI

• • •

MMI is the only US based small business dedicated to exceeding the requirements of U.S. Military and Veteran Christian faith chapels by providing top-tier music and religious education personnel worldwide. Our dedication to this mission is reliably accomplishing the recruitment and mobilization of the most qualified and experienced pastoral

*Our Mission: To provide top-tier musician, pastoral care and religious education professionals who will exceed the requirements of US Military and Veteran faith communities around the globe.*

care professionals who steadily exceed the requirements of the faith communities they serve. MMI specializes in a results-oriented approach to recruitment and placement through time-tested and effective customized onboarding processes which reliably insure an optimal fit and long-term success. The resulting benefits are superior standards of coordination and increasing collaboration with contracting officers, religious service resource chaplains and the faith communities they are assigned to diligently and steadily nurture, grow and serve.
