

Eema Says

Listening Game

Choose a player to be the first Eema or Abba. The Eema/Abba player holds the Paddle and calls out instructions that the other players need to follow.

But the other players only follow instructions that start with the words "Eema says" or "Abba says".

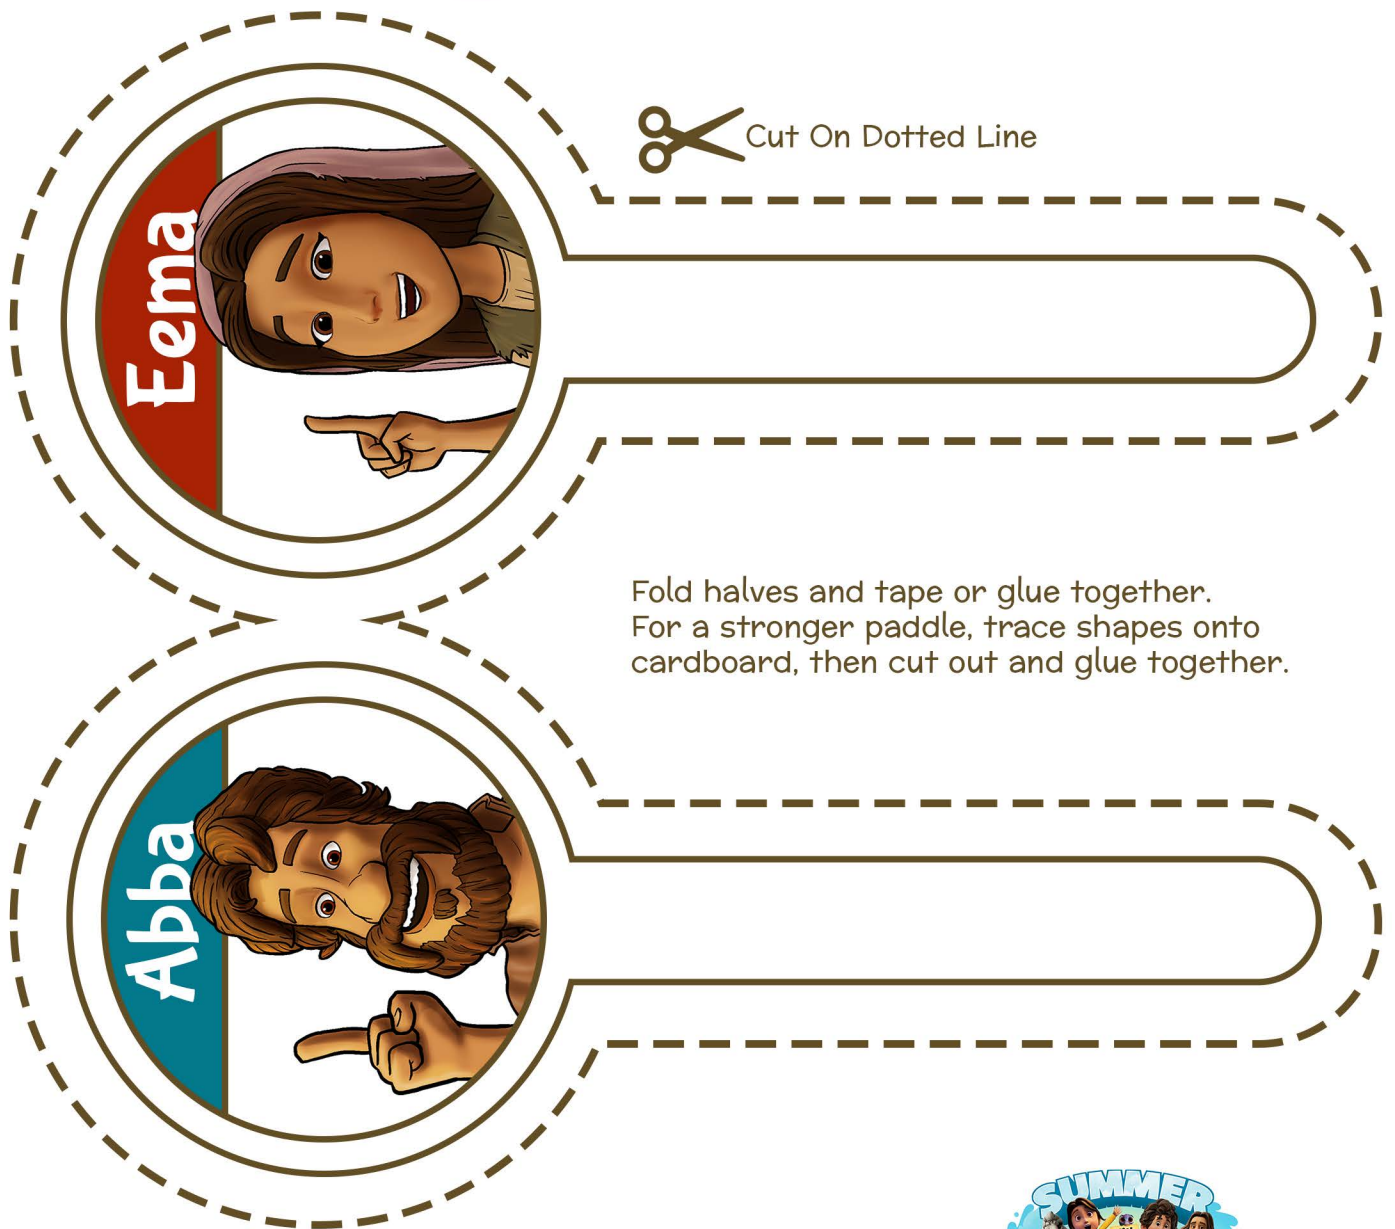

Whoever follows each prompt correctly first gets a Listening Token.  After all Tokens are given out, whoever has the most wins and becomes the next Eema/Abba.

Eema Says, flap your wings like Pigeon!

BUZZ like a wasp!

I didn't say "Eema says"!

Abba Says, stir the pot.
