

# Half-way Discipleship

JUDGES 1:1-2:5

*"But you have not obeyed my voice. What is this you have done?" (Judges 2:2, ESV)*

## Review the Sermon

Read Judges 1:1-2:5.

How does the book of Judges begin to show things "going south" for Israel?

---

---

How did the illustration of buried landmines help explain Israel's problem with the Canaanites and idolatry?

---

---

Why is half-way discipleship not actual discipleship? (Judges 2:1-5 should help)

---

---

---

## Assess your Life

Where do you most often feel tempted to say, "it's good enough" in your walk with Christ?

---

---

Where might you be choosing the easy road rather than trusting God with the harder path?

---

---

In your pursuit of holiness, do you resonate more with "I can handle it" (over-confidence) or "I can't help it" (paralysis) right now? Why?

---

---

---

## Apply the Truth

---

What next step can you take toward whole-hearted discipleship?

---

---

Is there a buried idol that God is calling you to dig up and destroy? How can you identify and destroy it?

---

---

How can this small group be more intentional about encouraging whole-hearted discipleship in each other?

---

---

---

## Commit this Week

---

Will you commit to identifying your idols, destroying them (and your trust in them), and following Jesus with your whole heart?

---

---

---

---

*"As soon as the angel of the Lord spoke these words to all the people of Israel, the people lifted up their voices and wept." (Judges 2:4, ESV)*
