

Step Into the Light

JOHN 3:1-21

"But whoever does what is true comes to the light, so that it may be clearly seen that his works have been carried out in God." (John 3:21, ESV)

Review the Sermon

Read John 3:1-21.

What significance does "night" have throughout John's Gospel, and why is it important in Nicodemus' visit?

According to vv16-18, why did God send His Son into the world?

What contrast does Jesus make between those who love darkness and those who come into the light?

Assess your Life

What parts of your life are you most tempted to keep hidden from God or others?

How do you normally respond when confronted with uncomfortable truth?

If Jesus lovingly exposed one area of your life today, what would you hope he would transform in you?

Apply the Truth

Where can you find a mentor or group that can provide the safety of grace and truth for you to step into the light and find true healing?

How can you intentionally spend more time with God in his Word so his truth continues exposing and renewing your heart?

How can you rely more on the Holy Spirit rather than personal willpower to change?

Commit this Week

I will choose truth over appearances by refusing to justify or minimize my sin.

“For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.” (John 3:16, ESV)
