Provider or Provision

JOHN 6:22-59

"Jesus said to them, "I am the bread of life; whoever comes to me shall not hunger, and whoever believes in me shall never thirst." (John 6:35, ESV)

Review the Sermon

Read John 6:22-59.

Why were the people pursuing Jesus after the feeding of the five thousand? What was their motive according to Jesus?

What is the difference between seeing Jesus as Provider and seeing Jesus as the Provision?

How would you describe those who belong to Christ in v37-40, 44, 54? How does repetition emphasize the steadfastness of this security?

Assess your Life

What do you currently want Jesus to provide for you more than wanting Jesus himself?

How does your pursuit of Christ correspond to your circumstances?

When life becomes painful or disappointing, what do you tend to feed on more than Christ?

Apply the Truth

What is one desire where you are tempted to say, "Jesus, give me this" rather than "Jesus, give me yourself"? What would it look like to surrender this desire?

What is one way you can cultivate closeness to Christ this week rather than depending on circumstances to make you happy?

How can you build confidence in knowing you are totally secure in Christ? How can you overcome your fears to obey what God is calling you to?

Commit this Week

Will you remind yourself daily that Jesus is more than the One who provides – he himself is everything you need, and he is enough!

"As the living Father sent me, and I live because of the Father, so whoever feeds on me, he also will live because of me." (John 6:57, ESV)
