# DESIGN CHALLENGE:

## WILDLIFE BRIDGES

Project Title: \_\_\_\_\_

How might your wildlife crossing help animals in the year 2048?

---

---

---

Who will use your wildlife crossing? How might they feel when they use it?

---

---

---

What was one design choice you made to keep animals safe on your bridge or tunnel?

---

---

---

If your crossing could have one wild extra feature, what would it be?
