# DESIGN CHALLENGE:

## SPACE STARTUPS

Project Title: \_\_\_\_\_

Which space startup did you build, and how might future societies use it?

---

---

---

What is one way your space business helps people or the earth?

---

---

---

What materials did you use in a new or surprising way in your build?

---

---

---

If you could go into space, would you? What would you do?

---

---

---

---
