

Name: \_\_\_\_\_

Date: \_\_\_\_\_

# DESIGN CHALLENGE:

## INSECTS

Project Title: \_\_\_\_\_

What special adaptations does your insect have to survive in the future?

---

---

---

Can you think of any ways that humans and insects depend on each other today?

---

---

---

What was the first thing you decided when designing your insect — and why?

---

---

---

What would you do if you came across your insect in real life?

---

---

---
