Wild! Guess!™

The card battle where you'll never guess who wins!

GUESS. PASS. WIN!

Fast-paced and easy to learn, Wild Guess! is a highly competitive, unpredictable card game that challenges both your **memory** and your **luck**!

- Players take turns guessing (or remembering) the suit or color of their next card.
- Correct guesses allow players to pass some of their cards to an opponent.
- WILD and BLOCK cards give players both some protection and some payback.
- The first player to get rid of all their cards wins the game!
