Annual Giving Goal

Our Unique Giving Model

Engaged donors all year round.

NOMINATE

Every mate
can nominate
a charity.

Every mate can nominate a charity to participate in our annual grants program. Meridian's team will do the due diligence and select the final 3.

DONATE

Donate every
month or
at our events.

Donations can be made per month or at our events. Every \$1,000 (or "\$90 each month) is counted as 1 vote towards a deserving charity.

PARTICIPATE

Attend our
annual Giving
Circle

At our annual giving circle the selected charities receive \$30k, \$20k and \$10k as voted by our donors. The remaining dollars go to the ethical investment fund.

Giving back

For generations to come.

Our ultimate goal is to grow our investment fund to a point that we can donate \$1M to charitable foundations every single year - in perpetuity.

We have a ambitious but achievable strategy in place to reach our goal by 2040. The fund only invests ethically, in a balance between screening out investments that aren't consistent with our values and targeting those that have a positive impact.
