

HOME DESIGN

KEA

PRICED FROM
\$679,000

This delightful standalone villa features two bedrooms meticulously crafted to provide you with the utmost comfort.

 99m²

The large master bedroom is a luxurious haven and boasts a walk-in wardrobe and a beautifully tiled ensuite bathroom. Adjacent to this master suite is a second double bedroom, thoughtfully positioned next to the main bathroom for convenience.

The home's inviting ambience is elevated by a light, open kitchen and living area, adorned with natural light and enhanced by stunning raking ceilings. The villa also offers a single garage with an EV charging station and extra storage, as well as a functional laundry area. Solar panels provide an eco-friendly touch, making this home both modern and energy-efficient.
