Minimum 3.5 GPA Scholarship Opportunities

Seth Eichenthal Engineering Memorial Scholarship

Purpose and History: The Seth Lurie Eichenthal Engineering Scholarship Fund was established in 2014 in loving memory of a gifted, creative and forward thinking young man. Seth had an extraordinary passion for engineering that was fostered and grew during his years as a student at CSAS. He graduated from the University of Virginia and obtained a Master of Science degree in Structural Engineering from Imperial College London, the top structural engineering program in the world. He died tragically at the age of 23 on January 1, 2014, just as his own career in engineering was beginning.
