MESIROW FOOTNOTES AND DISCLOSURE

¥ With respect to a Stable Value or Fixed Account product, the crediting rate that participants receive may be driven by a number of different factors, including, but not limited to, the current interest rate environment, underlying expenses and expense structure, the share class(es) or version(s) of the product that are available on the recordkeeping platform used by the Plan. A Stable Value or Fixed Account product may impose restrictions and/or market rate adjustments at contract termination. As a result, a Plan Sponsor should carefully review the applicable product documents (including any applicable contract) for the applicable limits, rules and payout options.

Cash Equivalents in Mesirow Lineups: The Mesirow 3(38) Fund Lineup offers a Stable Value Fund and a Money Market Fund. The Money Market Fund is intended for use by 403(b) plans that cannot use a Stable Value Fund. The Stable Value Fund is intended for use by all other plan types.

Plans that meet the asset minimum of $25 Million may qualify for Capital Group Target Date Retirement Trust TD5 suite. The TD5 suite will be available in 2027. For plans unable to utilize CITs, the American Funds Target Date Retirement R6 Series mutual funds are available.
