

Private AI for Staffing Firms

The Intelligent Hub Powering Recruiting, Sales, and Operations

A *Private AI* acts as the central intelligence hub – connecting recruiting, sales, operations, and analytics into one secure system that automates workflows and accelerates placements.

TALENT INTELLIGENCE (RECRUITING)

- Extracts, transcribes, and analyzes interview videos and assessments
- Processes technical scorecards and captures skills as searchable data
- Instantly searches and matches candidates by skills, scores, status, and keywords
- Organizes top candidates in customizable clipboards

REVENUE INTELLIGENCE (SALES & DELIVERY)

- Captures client requirements and auto-matches qualified candidates
- Automates job intake from Indeed, email, and other sources
- Routes leads intelligently by sales rep territory and targets
- Analyzes call transcripts for keywords, insights, and follow-ups

OPERATIONAL AUTOMATION (ADMIN & OPS)

- Status-based reminders for candidate and client follow-ups
- Notifications when interviews, scorecards, and documents are processed
- Deployment end-date alerts for proactive planning
- Automated itineraries sent to deploying employees

MORE FEATURES

- Integrates with Monday.com, Salesforce, RingCentral, Indeed, and Apollo
- Real-time performance dashboards measuring productivity, conversions, business health, & more
- Enterprise-grade security and compliance

REAL ROI FOR FIRMS

- 50%+ reduction in manual admin work → higher recruiter productivity
- Faster time-to-fill → improved placement and alignment
- Automated sales workflows → increased efficiency and visibility
