RE: GNY/1199 FUNDS – INTERIM SUSPENSION OF CONTRIBUTIONS
RELATED TO DECEMBER 1, 2020 WAGE INCREASE

As a follow-up to Memo 21-09, attached please find a letter from the GNY Funds explaining how the contribution suspension related to the December 1, 2020 three (3%) percent wage increase will be implemented on the Funds' portal. As we notified you in Memo 21-09, Impartial Chairman Scheinman directed an interim suspension of certain Fund contributions on the wage increase. This letter from the Funds provides details on how to operationalize this suspension.

Please note that we are still advising Employers to treat their Pension Fund contributions the same as the Benefit and small Funds contributions and not pay contributions on the three (3%) wage increase for the relevant time period. As we stated previously, this will be considered a delinquency to the Funds and the Impartial Chairman will deal with it at a later date.

If you need assistance with adding the three (3%) wage increase to your payroll reports for the past months, please email EmployerServices@1199Funds.org as detailed in this letter.

Thank you.
