Re: COVID-19 Vaccination Guidance

GNYHCFA staff, along with many of you, participated in today's NYSDOH COVID-19 Vaccination webinar. We noted there were many inquiries in the session that need to be addressed and will continue to follow up as additional information is released following the scheduled EAU approval for the Pfizer vaccine.

We are attaching a guidance document, a sample letter from the American Medical Directors Association for families and residents as well as educational materials for staff. GNYHCFA will continue to support facilities in meeting the challenges as we begin the COVID-19 Vaccination program.
