Re: Welcome Announcement: Appointment of Executive Director, Craig M. Johnson

We are pleased to announce the appointment of Craig M. Johnson as the new Executive Director of Greater New York Health Care Facilities Association. Please join us in extending a warm welcome as he begins this important leadership role in service to our members, residents, staff, families, and the long-term care community.

Mr. Johnson brings a strong commitment to quality care, operational excellence, advocacy, and collaboration across the nursing home and long-term care sector. In this role, he will work closely with Association leadership, member facilities, regulatory partners, and stakeholders to advance the mission of the Association and support the needs of the member facilities and residents we serve. His experience in government as a former NYS Senator, former Nassau County Legislator as well as in varied leadership positions and roles will be instrumental as the Association continues to respond to the evolving needs of skilled nursing providers and the residents they serve. He can be reached at cjohnson@gnyhcfa.org

We look forward to continuing our shared commitment to excellence in care, advocacy, and service.
