RE: UPDATE ON COLLECTIVE BARGAINING WITH 1199SEIU

Please be advised that we will be having our fourth bargaining session with 1199 on Monday, August 17, 2026. After the session, we will provide members with an update.

As with the previous bargaining sessions, members of the union's bargaining committee should be released for this meeting. As a reminder, our CBA provides for members of the bargaining committee (2 paraprofessionals, 1 LPN/Technical and 1 RN/Professional) to be paid on an on-going basis for their participation in negotiations. Therefore, those employees attending negotiations on their scheduled day of work should be paid.

Thank you.
