

Digital Data Collection & Analysis through Reports for Cluster Based Business Organizations (CBBOs)

CDFI has proven technology solution(s) for CBBOs to help conduct surveys for formation of FPOs

1. Mobile based digital data collection

- ✓ Readymade digital questionnaires available
- ✓ Questionnaires available for farmers, market functionaries & Agri & Deptt. Functionaries
- ✓ Questionnaires customizable in regional languages
- ✓ App can work in offline mode
- ✓ Requires a basic smartphone
- ✓ Collected data can be exported in csv, pdf and json formats

Customisable questionnaires are available in digital mode for

Farmers

Market Functionaries

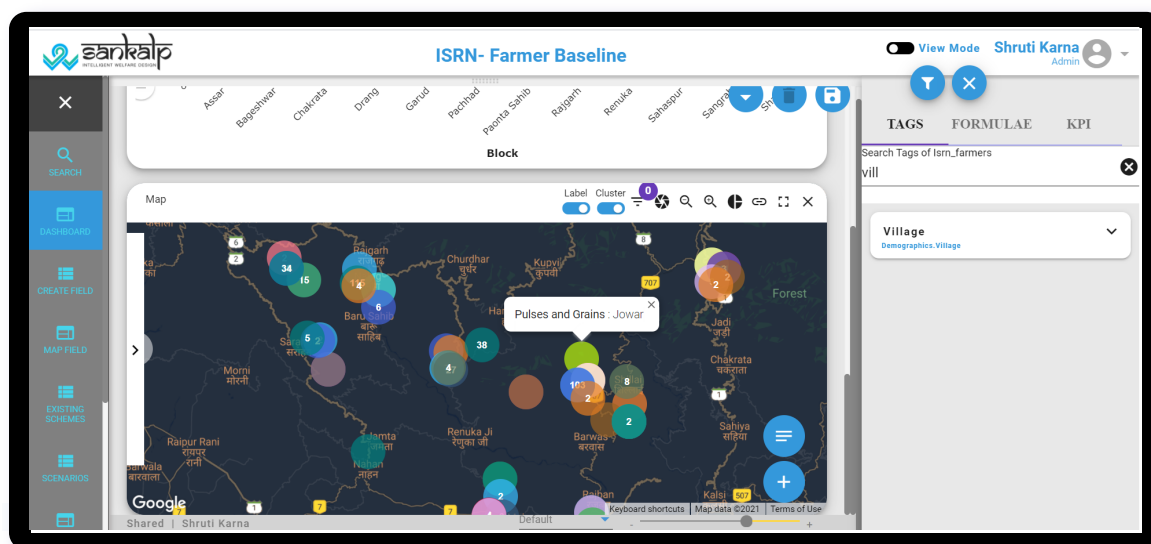

Agri & Deptt. Functionaries

Report Creation

- ✔ Generate excel based reports on the data collected
- ✔ Summarized version of selected data points

2. Additional Services we can provide

- ✔ Data analysis through near real time charts/dashboards
- ✔ Spatial & non-spatial data representation feature which gives insightful visualizations
- ✔ Perform geographical analysis
- ✔ Create summary tables

Map showing cluster-wise availability of different crops

We are already helping CBBOs across 20 districts in Uttarakhand, Himachal Pradesh, Uttar Pradesh and Jammu & Kashmir to form 30 FPOs
