

SHORT SKETCH: THE NEON WIGGLE

Written by

Derek Carter

INT. OPEN CONCEPT OFFICE - DAY

Each Wiggle has a brightly colored business suit and tie.
NEON WIGGLE has a mismatching neon green and pink suit.

RED WIGGLE

Oh no.

BLUE WIGGLE

Oh what?

YELLOW WIGGLE

Ohhhhh nooooooo...

RED WIGGLE

Do you have an odd coworker?

Neon Wiggle has his bare foot propped up on the edge of his desk. He is removing corns from his feet which fall on BROWN WIGGLE's desk.

NEON WIGGLE

Here?

Brown Wiggle nods and points at Neon Wiggle.

NEON WIGGLE (CONT'D)

Nah, we're all very normal. If we had a weirdo, I'd be the first to point them out.

BROWN WIGGLE

Are you... clipping your nails?

NEON WIGGLE

Ewe, no. This is a corn remover.

BLUE WIGGLE

Don't worry. We've been there before.

RED WIGGLE

That's what we call...

EVERYONE

A... Wiggle...!

The words WEIRD and WIGGLE appear on the screen. The 'EIRD' from WEIRD and the 'W' from WIGGLE dissolve. The two words slide together to spell... WIGGLE!!.

YELLOW WIGGLE
Sing along and we'll get you
through the day!

To the tune of "The Monkey Dance" by The Wiggles:

Two 8-counts of dancing to the instrumental.

Switch off between characters singing the same verse.

EVERYONE
Smile and nod.

Neon Wiggle talks to Red who just smiles and nods.

EVERYONE (CONT'D)
(background)
You can do it, you can do it.

EVERYONE (CONT'D)
Smile and nod.

Neon Wiggle talks to Yellow who just smiles and nods.

EVERYONE (CONT'D)
(background)
You can do it, you can do it.

EVERYONE (CONT'D)
Smile, smile.

Shots of coworkers smiles getting less genuine.

EVERYONE (CONT'D)
That's alright...

Shots of coworker's running away from Neon Wiggle.

EVERYONE (CONT'D)
Pretend you're on a call.

Brown Wiggle takes a screenshot of a phone call with a
contact named 'FAKE CLIENT'.

EVERYONE (CONT'D)
(background)
You can do it, you can do it.

EVERYONE (CONT'D)
Pretend you're on a call.

Neon Wiggle approaches as Brown Wiggle shows him the
screenshot.

EVERYONE (CONT'D)
(background)
You can do it, you can do it.

EVERYONE (CONT'D)
Pretend you're on a call.

Brown Wiggle points to his phone and mouths 'Sorry. On another call'

EVERYONE (CONT'D)
(background)
You can do it, you can do it.

EVERYONE (CONT'D)
That's alright...

Shots of coworkers running away from Neon Wiggle.

EVERYONE (CONT'D)
Ask for a closed concept.

EVERYONE (CONT'D)
(background)
You can do it, you can do it.

Construction workers build walls around Neon Wiggle's desk.

EVERYONE (CONT'D)
Ask for a closed concept.

EVERYONE (CONT'D)
(background)
You can do it, you can do it.

There is now a fully enclosed cubicle around Neon's desk. The Wiggles examine it and are very happy. Walls, ceiling, and a door that locks from the outside. The music pauses.

Knock, knock, knock.

NEON WIGGLE
Ok... I'm ready to come out now.

EVERYONE
(in sync)
Or...
(beat)
Do what Dino does!

A creepy dinosaur mascot suddenly appears. Their actions match the lyrics.

BROWN WIGGLE
 (in talking verse)
 Stalk them home. Meet their
 neighbors. Get invited inside.
 Share a drink. Become good friends.

Dino notices a key on the table and and slyly steals it.

INT. OPEN CONCEPT OFFICE

BROWN WIGGLE
 Go back to work. Smile and nod just
one more time. Swipe their
 fingerprints, get a hair or two.
 And then...

INT. NEIGHBOR'S HOUSE - LIVING ROOM

BROWN WIGGLE
Murder their neighbor and plant the
 evidence!

JUMP CUT TO:

The neighbor is dead in a puddle of blood. Dino is standing
 over him holding a bloody knife. The rest of The Wiggles are
 now there in their ending pose.

EVERYONE
 (in sync)
 The Wiggles!

Ending credits play while everyone stays in their pose. Dino
 tries looks around for approval but everyone else is uneasy
 and too scared to look him in the eye.
