OUR MISSION

The Stuart Sailfish Club is committed to celebrating and preserving our local sportfishing heritage through community engagement, education, and responsible stewardship.

We bring together anglers, businesses, and families to promote ethical fishing practices, support local marine and conservation initiatives, and ensure that future generations can continue to experience the tradition and thrill of sailfishing in our waters.

Rooted in history and driven by purpose, the Club exists not only to host tournaments, but to strengthen the Treasure Coast community—on the water and beyond.

STUART SAILFISH CLUB FOUNDATION

THE BILLFISH FOUNDATION — The Stuart Sailfish Club is a proud supporter of The Billfish Foundation, a global leader in billfish conservation and responsible sportfishing advocacy. Through this partnership, the SSC Foundation supports: billfish conservation and research, ethical angling & responsible release practices, education & awareness, and much more!

MARTIN COUNTY SCHOOL DISTRICT — Supporting our local community starts with investing in education. The Stuart Sailfish Club Foundation partners with Martin County Schools through its scholarship and youth-focused initiatives. By supporting local students, we're helping to strengthen the future workforce of our waterfront community

In addition to our primary partners, the Stuart Sailfish Club supports and collaborates with a variety of local and regional organizations through tournament fundraising, events, and direct charitable contributions.

- Local community-based charities
- Marine conservation and environmental initiatives
- Youth and education-focused programs
