

STUART SAILFISH CLUB

FOUNDED
IN 1941

2026 Official Sponsorship Opportunities

OUR MISSION

The Stuart Sailfish Club is committed to celebrating and preserving our local sportfishing heritage through community engagement, education, and responsible stewardship.

We bring together anglers, businesses, and families to promote ethical fishing practices, support local marine and conservation initiatives, and ensure that future generations can continue to experience the tradition and thrill of sailfishing in our waters.

Rooted in history and driven by purpose, the Club exists not only to host tournaments, but to strengthen the Treasure Coast community—on the water and beyond.

SPONSOR BENEFITS

Sponsorship with SSC is more than visibility—it is a partnership that supports tradition, stewardship, and a deeply connected sportfishing community.

Our sponsors play a direct role in:

- Preserving local sportfishing heritage
- Advancing ethical angling and conservation efforts
- Supporting community-based initiatives and education
- Sustaining tournaments, events, and outreach programs

BRAND ENGAGEMENT

Our marketing efforts are designed to keep sponsors visible, relevant, and meaningfully connected to the Treasure Community, throughout the year. Rather than one-off impressions, our focus is on consistent, authentic brand presence within a highly engaged audience.

NETWORKING & COMMUNITY

The Stuart Sailfish Club hosts 25+ events annually, creating unmatched access to one of the most connected sportfishing networks. These events are where business relationships are formed, partnerships are strengthened, and community ties are built.

SUPPORTING LOCAL

Founded in 1941, the Stuart Sailfish Club is proud of its deep roots in Stuart and the surrounding marine community. Sponsorship with SSC is an investment not only in the Club, but in the Treasure Coast economy and community that sustains it.

GIVING BACK & STEWARDSHIP

Sponsorship directly supports the SSC Foundation's charitable, educational, & conservation-focused initiatives. Sponsors have the opportunity to help protect our fishery, support the next generation, and give back to the community.

STUART SAILFISH CLUB FOUNDATION

THE BILLFISH FOUNDATION — The Stuart Sailfish Club is a proud supporter of The Billfish Foundation, a global leader in billfish conservation and responsible sportfishing advocacy. Through this partnership, the SSC Foundation supports: billfish conservation and research, ethical angling & responsible release practices, education & awareness, and much more!

MARTIN COUNTY SCHOOL DISTRICT — Supporting our local community starts with investing in education. The Stuart Sailfish Club Foundation partners with Martin County Schools through its scholarship and youth-focused initiatives. By supporting local students, we're helping to strengthen the future workforce of our waterfront community

In addition to our primary partners, the Stuart Sailfish Club supports and collaborates with a variety of local and regional organizations through tournament fundraising, events, and direct charitable contributions.

- Local community-based charities
- Marine conservation and environmental initiatives
- Youth and education-focused programs
- First responders and veteran-oriented organizations
