Junior Angler Tournament

July 17–18, 2026	Tiki Hut, Stuart Sailfish Club	Junior anglers, 16 and under

A community event 48 years in the making.

2026 marks the 48th Annual Stuart Sailfish Club Junior Angler Tournament — a community event that brings families together to compete on the water. Dates are July 17 and 18, 2026. Captains, crews, and families gather at the Tiki Hut both days. Kickoff Party Friday night. Fishing Saturday. Weigh station and Awards Reception close out the event Saturday night.

Proceeds support the Stuart Sailfish Club Foundation, which provides scholarships and internships to youth in our community. The Foundation is focused on enhancing the heritage of sportfishing, boat building, and the marine trade businesses that have defined Martin County and the Treasure Coast for generations. When you sponsor the Junior Angler, you put a kid on the water this weekend — and a kid in a career path for life.
