Capabilities Statement

For over 15 years, cFocus Software has provided outstanding cybersecurity and enterprise IT solutions to civilian and DoD agencies.

cFocus is a highly decorated contractor with over 20 certifications and vendor partnerships—we are Microsoft Gold Partner, AWS Technology Partner, ISO 9001/20000/27001 certified, and CMMI Level 3 certified.

FISMA, RMF & FedRAMP Compliance

Our exclusive **ATO as a Service™** software automates FISMA, RMF, & FedRAMP compliance, reducing the time to achieve & maintain authorizations by up to 70%! ATO as a Service™ also includes expert-level consulting services to address your backlog of FISMA, RMF & FedRAMP compliance activities.
