CABLE TIE CADDIES

The Cable Tie Caddy organizes your cable ties and ensures they are always readily available to workers.

EASY TO USE

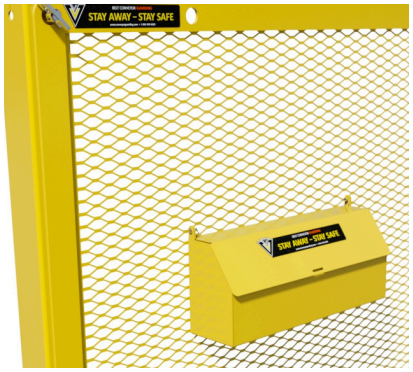

- Attaches to the exterior of your barrier or flat guard
- Can be secured to your guarding or any supporting structure

MAINTENANCE FRIENDLY

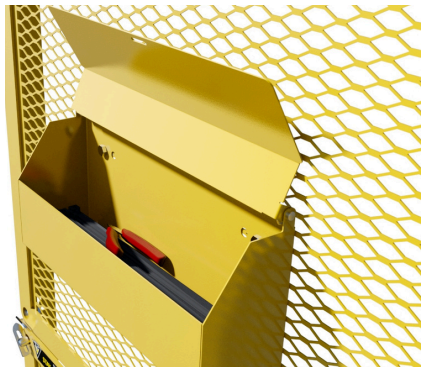

- Improved storage so you always have easy access to replace cable ties
- Drainage slots allow any debris to easily fall through

BUILT-TO-LAST

- Heavy-duty steel construction
- Powder coated for increased durability and visibility
