

# Trust & Compliance

This Trust & Compliance page outlines how AI Uniti Pty Ltd (ACN 694 238 821) ("AI Uniti", "we", "our", or "us") approaches data protection, regulatory compliance, and responsible use of our products and services. It is designed to provide transparency to customers, partners, and stakeholders globally.

---

## GDPR Compliance

AI Uniti is committed to protecting the personal data of individuals located in the European Union, United Kingdom, and European Economic Area in accordance with the General Data Protection Regulation (GDPR).

We process personal data lawfully, fairly, and transparently, and only for specified, explicit, and legitimate purposes. AI Uniti implements appropriate technical and organisational measures to ensure a level of security appropriate to the risk, including safeguards against unauthorised access, disclosure, alteration, or destruction of personal data.

Where AI Uniti acts as a data processor, we process personal data only on documented instructions from the data controller. Where AI Uniti acts as a data controller, we determine the purposes and means of processing personal data in line with GDPR principles.

Individuals located in the EU, UK, or EEA have the right to:

- Access their personal data
- Request correction or deletion of personal data
- Restrict or object to processing
- Request data portability
- Withdraw consent where processing is based on consent

Requests relating to GDPR rights may be submitted to [sales@aiuniti.com](mailto:sales@aiuniti.com). Further details are available in our Privacy Policy.

---

## Australian Privacy Act Compliance

AI Uniti complies with the Privacy Act 1988 (Cth) and the Australian Privacy Principles (APPs) in relation to the collection, use, storage, and disclosure of personal information.

We collect personal information only where reasonably necessary for the operation of our business and the provision of our services. We take reasonable steps to ensure personal information is accurate, up to date, complete, and protected from misuse, interference, loss, unauthorised access, modification, or disclosure.

AI Uniti does not sell personal information. Personal information may be disclosed to trusted third-party service providers (including cloud and technology providers) where required to deliver our services, subject to appropriate confidentiality and security obligations.

Individuals may request access to, or correction of, their personal information by contacting [sales@aiuniti.com](mailto:sales@aiuniti.com). If a privacy concern is not resolved satisfactorily, individuals may contact the Office of the Australian Information Commissioner (OAIC).

---

## No Financial Advice

Information provided by AI Uniti, including through our website, software, analytics, reports, AI-generated outputs, and communications, is provided for general informational purposes only.

Nothing provided by AI Uniti constitutes, or is intended to constitute, financial advice, financial product advice, or a recommendation within the meaning of the Corporations Act 2001 (Cth) or equivalent legislation in other jurisdictions.

Users should not rely on information or outputs provided by AI Uniti as a substitute for professional financial advice. You should seek independent advice from a qualified and licensed financial adviser relevant to your circumstances.

AI Uniti makes no representations or warranties regarding the accuracy, completeness, or suitability of any information for financial decision-making.

---

## No Investment Advice

AI Uniti does not provide investment advice, trading advice, portfolio management services, or recommendations regarding cryptocurrencies, digital assets, tokens, securities, derivatives, or any other financial instruments.

References to crypto assets, blockchain projects, tokens, markets, sentiment, engagement, or community activity are provided for informational and analytical purposes only. They do not constitute an offer, solicitation, recommendation, or endorsement to buy, sell, hold, or invest in any asset.

AI-generated outputs and analytics may be incomplete, probabilistic, or subject to error and must not be relied upon for investment decisions. All decisions relating to investments or trading are made at your own risk.

Cryptocurrency and digital asset markets are volatile and involve significant risk, including the potential loss of capital. You remain solely responsible for assessing the merits and risks of any decision.
