## **Marketing & Product Disclaimer**

AI Uniti software solutions provide AI-powered decision-support tools only.

Unless expressly stated in writing:

- AI Uniti does not guarantee the accuracy, completeness, or reliability of AI-generated outputs
- AI outputs should not be relied upon as the sole basis for decisions
- AI Uniti does not provide legal, medical, financial, or other regulated professional advice

Customers are responsible for:

- configuring the software appropriately
- reviewing and validating outputs
- ensuring compliance with applicable laws

Marketing materials are provided for informational purposes only and do not form part of any contractual guarantee.
