

SUBPROCESSOR DISCLOSURE

AI Uniti Pty Ltd / ABN: 36694238821

AI Uniti may engage third-party service providers (“Subprocessors”) to support delivery of its software services.

Subprocessors may provide services such as:

- cloud hosting and infrastructure
 - analytics and monitoring
 - customer support tooling
-

Data Access Principles

AI Uniti ensures that:

- Subprocessors access Personal Data only as necessary
 - Subprocessors are bound by confidentiality and data protection obligations
 - Appropriate technical and organisational safeguards are in place
-

Updates

AI Uniti may update its list of Subprocessors from time to time.

Customers may request a list of current subprocessors information by contacting:
