

Sermon Title: Endurance

Icebreaker Question: Where did you grow up and what is something fun you did as a child in the summers there?

Opening Question: Looking back to last week's sermon and scripture... How did you live differently or practice what we talked about in your life this week? What did you do and how did it go?

This week's scripture:

Hebrews 12:1-3

"Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked out for us, ²fixing our eyes on Jesus, the pioneer and perfecter of faith. For the joy set before him he endured the cross, scorning its shame, and sat down at the right hand of the throne of God. ³Consider him who endured such opposition from sinners, so that you will not grow weary and lose heart."

Scripture Reflection Questions: Read this week's scripture together and discuss the following (note: we use the same scripture reflection questions each week so that we can practice using the same tools over time as we examine different scriptures):

- What do we learn about God (e.g., traits, personality, what matters, priorities) in this passage?
- What do we learn about people, and ourselves in particular, this week?

Sermon Reflection Questions: Reflecting on this week's sermon, discuss the following:

- Who has encouraged you in your faith? Why/how?
- What helps you to have endurance in your faith in hard seasons?

Closing Question and Application: Given what we've discussed together today, how might God want you to apply these learnings to your life or in the life of your community this next week? Who might you share this with?

Closing group prayer: Spend a few minutes together in your group sharing prayer requests and then praying together for each other. Take the challenging parts of your conversation to Jesus. Thank God for the time together, the conversation shared, the other people in the group, and for encouragement in the week ahead.
