KITCHEN & INTERIOR PROJECTS

Where precision meets passion

Engineered in Germany

DEVA partners exclusively with Beckermann Küchen, Germany's oldest kitchen manufacturer, founded in 1896.

Multimassive Core

A revolutionary material that outperforms traditional chipboard and MDF. The best interior product on the market.

Custom made

Offering 4,000 combinations and 226 cabinet interior colours — from soft matte neutrals to bold wood textures and earthy pigments.

BORN FROM LEGACY. DESIGNED FOR THE FUTURE.

DEVA is the newest chapter in a story that began over 45 years ago with Keukens De Abdij—Belgium's most respected family-owned kitchen brand.

What started in 1980 as a local workshop has grown into a name synonymous with excellence, precision, and trust. With more than 2,500 bespoke kitchens per year and three generations of craftsmanship, Keukens De Abdij has built homes, styles, and stories—throughout Belgium and beyond.

DEVA was created to take that legacy further. To innovate. To inspire.

International Excellence Engineered in Germany

DEVA partners exclusively with Beckermann Küchen, Germany's oldest kitchen manufacturer, founded in 1896. With more than 128 years of experience, Beckermann produces over 18,000 kitchens per year, exporting to 67% of the global market with landmark projects in:

- ✓ San Francisco's Millennium Tower
- ✓ Versace Tower in London
- ✓ Waikiki Landmark, Honolulu
- ✓ Crystal Plaza, Shanghai

Together, DEVA and Beckermann bring a fusion of Belgian elegance and German engineering—offering batch-size-one production, endless customization, and industrial precision with a soul.

The Déva Experience Center

Located in Ninove - Belgium, Our new upcoming flagship headquarters will offer more than inspiration—it will immerse you in innovation.

A detailed architectural rendering of a modern building with a curved glass facade and a balcony. The building is shown from a low angle, emphasizing its height and the curvature of its upper levels. The sky is a soft, hazy blue with light clouds. In the foreground, there are several cars parked on a paved area, and a row of green bushes with a white lattice pattern runs along the bottom edge. The overall scene is bright and clean, suggesting a high-tech or futuristic environment.

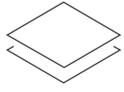

Here, your kitchen will come to life before it's built.

✓ A curated style and design showroom

✓ Interactive zones with cutting-edge technologies

✓ Real-time 3D visualisations of your future kitchen

✓ Live experience with materials, lighting, and layouts

Our Materials Define Us

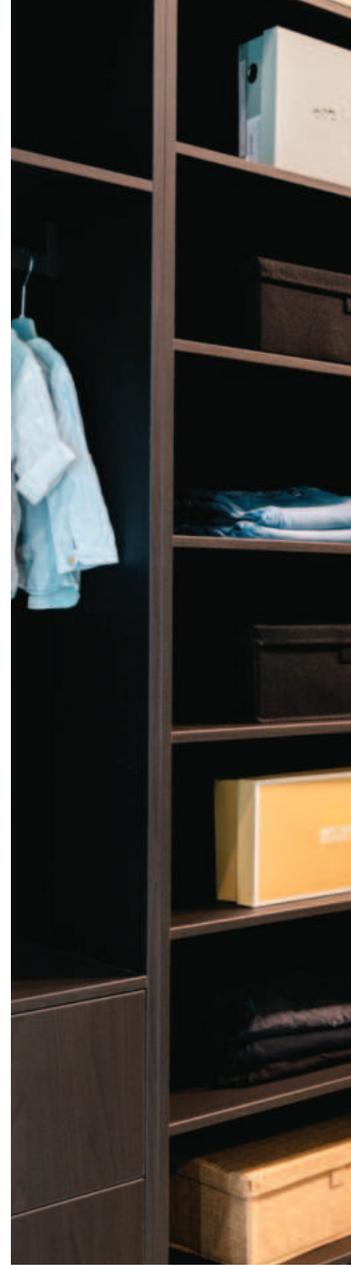

At DEVA, every kitchen is built on a Multimassive Core – a revolutionary material that outperforms traditional chipboard and MDF

What you don't see is what gives our kitchens their unmatched durability.

- ④ 3x stronger, 3x more moisture-resistant, 3x more stable, 3x more sustainable
- ④ Carries up to 135x its own weight, fiberboard & MDF only 2 to 3x
- ④ Uses less glue – healthier and more sustainable
- ④ Tested and certified by independent experts
