

JANUARY 2026 NEWSLETTER

A Note from Principal Antoine:

Happy New Year, PS 40 Families! 🎉

As we begin a new year, January is a wonderful time for renewal, fresh starts, and setting goals together. One of our most important goals as a school community is strong daily attendance.

This year, our school-wide attendance goal is 95%. When students come to school every day, they stay connected to learning, build strong routines, and grow academically and socially. Every day in school truly matters, missed days mean missed learning, friendships, and opportunities to shine.

We appreciate your continued partnership in making sure students arrive on time and ready to learn, even during the colder months. Together, we can start 2026 strong by showing up, staying committed, and supporting our children's success.

Thank you for being an essential part of our PS 40 community. Let's make January a month of focus, growth, and excellent attendance!
