Your wedding at FONO

Say “yes” to something new.

FONO's spaces are designed to transform. From the moody intimacy of our Hi-Fi Lounge to the bright, open Ballroom ready for ceremony, dinner, or dance. Whether you're planning a short engagement or an unconventional celebration, our team can help make your day come together beautifully — even on a shorter timeline.

Your private event at FONO

Bubbles on us!

From birthdays and showers to retirements or reunions, FONO is built for celebration. The Hi-Fi Lounge and Ballroom can flex to fit your vision — whether that's an intimate dinner or a full takeover with music and dancing.

For our first-time private event hosts, we're adding a little something to toast the night: **a complimentary bottle of bubbles (or a non-alcoholic equivalent)** to help you celebrate in style.

If bubbles aren't for you, FONO would be happy to discuss an alternative complimentary offer of equal value.

THE FINE PRINT

- Offer valid for events confirmed and hosted before June 30, 2026.
- Non-transferable and not redeemable for cash. Complimentary bottle served during the event only.
- Minimum spend still applies.
- Bottle selection at FONO's discretion.
- Offer valid for private events only (not ticketed shows or public events).
- Additional fees may apply for add-ons or special requests.
