Using Out-of-Network Providers

Members who elect to use an out-of-network provider must pay the provider in full at the time of service and submit a claim to Avēsis for reimbursement, unless the provider accepts an assignment of benefits. Reimbursement levels are in accordance with the out-of-network reimbursement schedule previously listed. Out-of-network benefits are subject to the same eligibility, availability, frequency of benefits, and limitation and exclusion provisions of the plan, and are in lieu of services provided by a participating Avēsis provider. Out-of-network claim forms can be obtained by contacting Avēsis' Customer Service Center or your group administrator, or by visiting www.avesis.com.

Termination Provisions

The coverage will continue as long as the group policy remains in force, the premiums are paid, and as long as the employee and any covered dependents remain eligible and the employees coverage remains in force.

Notes and Disclaimers

The contact lens allowance may be used all at once or throughout the plan year as needed or may be applied toward contact lenses only. Refractive Laser Surgery is considered an elective procedure, and may involve potential risks to patients. Avēsis is not responsible for the outcome of any refractive surgery. Discounts on materials are not available at Walmart locations. Members may not use their contact lens allowance toward fitting fees at Walmart and are responsible for any out-of-pocket fees associated with fittings there. Discounts on materials are not available at Costco locations. ID cards are not required for services.
