

Fees Notice

Last updated February 2024

Buy toco

- Fees charged by the payment gateway provider are added to the purchase price of the toco.
- A fee calculation is displayed in-app at the time of purchase.
- Fees vary, depending on the payment method selected.

Transact in toco (send/receive)

- 1% fee charged to the sender of toco and deducted from the sender toco wallet balance.

Sell toco

- 1% fee charged in toco, deducted from the toco amount sold if the sell request is accepted by the Carbon Reserve.
