

## PREK MONTHLY OVERVIEW

OCTOBER 2026

Game time is all about play, and preschoolers learn through play more than anything else. Games give preschoolers opportunities to make choices, try new things, and feel proud of their accomplishments. They want to feel capable and in control, but when they don't feel that way, we want them to know that they can turn to the One who is.

The same God who made everything and everyone we see loves His people more than anything, and God showed up for His people throughout the Bible in powerful ways. We will hear incredible stories that display God's power and how He uses it for the good of His people. We can trust God because nothing is too big for God!
