VETERAN OWNED SMALL BUSINESS

VOSB, SDVOSB

COMPANY OVERVIEW

FANOR is a service disabled veteran owned small business built on the discipline, integrity, and precision of the United States Marine Corps. We deliver dependable construction solutions for state and federal partners with honor and commitment bringing mission-critical reliability to every contract we execute.

WHY CHOOSE FANOR

We understand federal missions. Our Marine veteran leadership brings firsthand knowledge of government operations and compliance requirements.

We deliver contract ready performance. FANOR maintains organized project records, clear submittals, and comprehensive closeout packages that meet federal standards.

We execute on-time, on-budget delivery: Our military discipline guides internal processes and scheduling with proactive RFI management and controlled change orders that eliminate cost surprises.

We specialize in occupied federal facilities. Expert coordination for active facilities including after-hours scheduling, dust containment systems, and phased construction management

We maintain zero-incident safety standards. Our documented OSHA protocols include daily toolbox talks and site inspections that have achieved a proven zero lost-time safety record.

We provide single point accountability. One dedicated project leader manages your entire scope, schedule, budget, and stakeholder communication from award to closeout.

We move fast when needed. FANOR maintains agile operations that enable quick project starts and flexible scheduling to meet urgent federal requirements.
