1. We have reviewed the accompanying statement of unaudited financial results of Affordable Robotic & Automation Limited ("the company") for the Half Year / Quarter ended 30th September 2026 ("the statement"). The Statement has been prepared by the Company pursuant to Regulation 33 of the SEBI (Listing Obligation and disclosure Requirements) Regulations, 2015 (the "Listing Regulations, 2015") as amended.

2. This statement is the responsibility of the Company's management and has been approved by the Board of Directors at their meeting held on November 14, 2026, has been prepared in accordance with the recognition and measurement principles laid down in the Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting principles generally accepted in India, read with the circular. 3. We have conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards and other recognized accounting practices
