Welcome to Your Benefit Enrollment for Plan Year 2025

At One Diversified, we know that benefit requirements change. That's why we have an open enrollment period each year.

For most benefits, Open Enrollment is the only time of year you are allowed to make changes in your benefits. Unless you experience some qualifying life event, you will only be able to make benefit changes during the Open Enrollment period. During open enrollment, you should consider the benefits you have today and ask yourself if they will serve you and your loved ones well in the coming plan year.

Benefit enrollment is easy! Just follow these steps.

- First, review personal information (i.e. DOB, SSN) and if any updates are needed please email PeopleCentral.
- Review each of your benefit elections and make your choices.
- Sign the Enrollment Confirmation form to complete your enrollment.

Click **Next** to begin.
