Credit Card on File Authorization

To simplify billing and enhance your experience, Ivry Dental securely maintains a credit card on file. All payment information is encrypted and stored through our secure payment processor. Ivry Dental does not retain full card numbers.

By signing below, you authorize Ivry Dental to charge the card on file for:

- Patient portions due at the time of service
- Remaining balances after insurance processing
- Missed appointment or late cancellation fees
- Approved payment plan installments

You will receive a receipt for all transactions and may update or revoke this authorization in writing at any time.

This authorization remains in effect unless revoked.
