

PAVE

the

WAY

NEW LIFE CAPITAL CAMPAIGN

We're living in a **what's-next moment**, between what God has done and what He is yet to do. **And we get to pave the way—together.**

THE OPPORTUNITY →

We long to share the Gospel with as many people as possible—but our growth has been hindered.

Sharing the good news of abundant life in Jesus is the mission of New Life. Since our founding in 1976, our heart has been to reach people here, near, and far with the life-changing message of the Gospel. We believe that this pursuit is best done together—worshiping, serving, and building lifelong relationships across generations. But we have also faced limits that have threatened to hold us back: our ability to expand our reach has hinged on building a new access road.

THE VISION →

Now, after decades of faithfully praying for land, God has shown us a way forward.

With the purchase of 30 acres of land, we have a new opportunity to expand how we serve and who we can welcome to our campus. Through the vision of the *Pave the Way Campaign*, we aim to raise \$7M for the 30 acres of land, including a new access road. This road unlocks the opportunity for a full \$30M project, which includes the possibilities for a fine arts center, sports facilities, renovating existing spaces, expanding classrooms, and so much more.

→ **This vision will take a unified New Life community. Together, we will pave the way for:**

New Reach

This expansion means more people can find new life in Christ as we teach, care, and send them out to change the world. What happens here can serve far beyond our doors.

New Ministries

Expanding our footprint allows us to lean into our innovative and creative heart for ministry and meet the growing needs of New Life families—now and into the future.

New Spaces

Purchasing land means we can build new facilities for the church and school—including new possibilities of a worship / performing arts space, classrooms, and athletic fields.

Jesus said, "I am **THE WAY**, the truth, and the life. No one comes to the Father except through me." – John 14:6

We're dreaming of all the **potential opportunities** for Gospel impact, as we honor the rich legacy of New Life and pave the way for its future:

Let's Pave the Way together. The Pave the Way Capital Campaign will launch publicly within the next year.

But, as a leader in our church and school community, we're sharing this vision with you first. We want you to catch the vision of what we're doing and be an ambassador for how God can use our community to further His mission. We are so grateful for your leadership and generosity as we seek to heed God's call here, near, and far.
