KRISTII

Kristii

Born and raised in Vienna, Austria, Kristii is a singer-songwriter who defies categorisation. Classically trained with a three-octave opera soprano range, she channelled that discipline into contemporary R&B-Pop — creating music that speaks across generations.

Her debut single "**Recovery**" hit **#8 on the Billboard Dance/Mix Show Airplay chart** and held the top ten for twelve weeks. In 2019 she opened for Tory Lanez on his 23-city *Memories Don't Die* North American tour. After releasing the *Friendship* EP in 2021, she began working with Grammy-winning producer **Scott Storch**.

That partnership culminated in **Lost & Found** (2026) — 11 tracks featuring Chris Brown, O.T. Genasis, Rich the Kid, and Verse Simmonds. "Triangle" became one of 2024's breakout summer hits. Kristii divides her time between Los Angeles and Vienna, giving audiences positive energy and permission to love themselves as they are.
