

Alpha 3 Trade Compliance

ALPHA 3 POLICY

As a global technology company, Alpha 3 is committed to complying with all applicable trade regulations in all countries in which we operate, including, but not limited to, all export and sanctions regulations. It is our policy to continually adhere to these regulations in all activities that we engage in.

We assess our, goods, services, and technology to the **UK Statutory Instruments relating to Export Control (Sanctions)** and the **consolidated list of strategic military and dual-use items that require export authorisation** to determine export licence requirements under the Export Control Joint Unit (ECJU)

We have determined that our goods and services, and technology are not on the consolidated control list and therefore designated as EAR99. In addition are

- Not of concern, or have been informed of concerns about the intended end-use or the end use
- Not covered by trade sanctions, arms embargoes, and other trade restrictions
- Not for the supply, delivery, maintenance, and use of anything intended entirely or partly for WMD purpose.

The classifications provided are for the purposes of complying with the EAR for exports from the United Kingdom and subsequent reexports. Alpha 3 products are not subject to Regional Stability (RS) controls.

CLASSIFICATIONS

Alpha 3 makes no representation or warranty as to the accuracy or reliability of the classifications listed. Any use of such classifications by the user, is without recourse to Alpha 3 and is at the users' own risk. Alpha 3 is in no way responsible for any damages whether direct, consequential, incidental, or otherwise, suffered by the user as a result of using or relying upon such classifications, for any purpose whatsoever.
