

WAVY BLOCK SERIES

[pocket blocks]

ABOUT THE WAVY BLOCK DESIGN

The Wavy Blocks series introduces fluid, curving forms to the Pocket Blocks family, adding a sense of playfulness and creativity to urban design. Available in two sizes and two heights, these versatile blocks function as both benches and planters, seamlessly blending form and function.

Whether creating gentle waves or connecting in circular arrangements, Wavy Blocks bring softness to the sharp edges of the urban landscape. They're perfect for crafting laid-back, inviting spaces amid the hustle and bustle of city life, encouraging people to slow down, relax, and engage with their surroundings.

When paired with other Pocket Blocks, Wavy Blocks unlock limitless design possibilities, transforming sidewalks, plazas, and parks into vibrant, people-first spaces. With their organic shapes, these blocks echo our vision for more welcoming and harmonious cities.

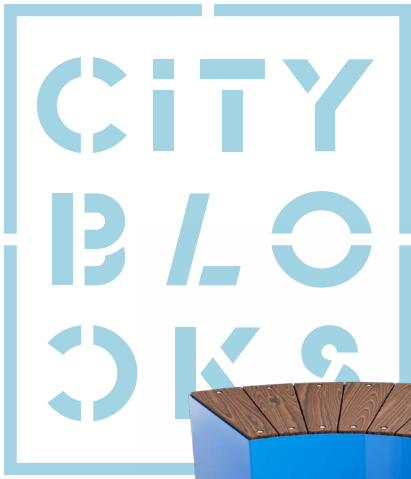

Because even the busiest streets deserve a moment of calm, Wavy Blocks make softer cities possible—one curve at a time.

- FULL ALUMINUM FRAME CONSTRUCTION
- ADJUSTABLE LEVELING FEET INCLUDED
