HEMISPHERE SERIES POCKET BLOCKS: Circular Design for Urban Harmony

The Hemisphere series brings a bold, circular form to the Pocket Blocks family.

Designed in two sizes and two heights, these versatile blocks function as both benches and planters, offering a unique blend of utility and artistry.

Whether used as standalone pieces or integrated with other Pocket Blocks, Hemisphere blocks create striking visual statements in urban environments. Their rounded shape softens hard cityscapes, inviting people to gather, linger, and connect. Perfect for plazas, sidewalks, or pop-up parks, these blocks bring a bright sense of rhythm and flow to any public space.

With the Hemisphere series, urban design becomes a canvas for connection, creativity, and community.

- FULL ALUMINUM FRAME CONSTRUCTION
- ADJUSTABLE LEVELING FEET INCLUDED
- POWDER COATED FINISH
- COMPLETE BLOCK TO BLOCK COMPATIBILITY FOR ENDLESS CONFIGURATION
