RULES:

- Race will be run on the 1/8 Mile. • Time Break: Any Dial.
- Door Cars & Left-Hand Steer Roadsters Only
- No Delay Boxes permitted in or on the vehicle.
- Trans Brakes, 2 Steps, Air/RPM Shifters permitted.
- Digital Dash & Data Recorders permitted. • No Down Track Throttle Stops.
- Air Throttles and Mechanical Throttle Stops as a Launch Control Only.
- No Tricks on Tree. • Compulink Timing System with TruSTART in use.
- Re-Entry for Round 1 Losers Only. • Lane Choice offered.
- Round Money is paid for last round won only.
- NO Gold Cards. • NO Refunds. • Single Entries capped at 400 cars.

RACE PROCEDURES:

- 1st Round Bye Run is a random draw - subsequent Bye Runs given to best winning Reaction Time - ties broken by Best Package. Unused Bye Runs do NOT carry over, but racer will remain eligible to re-earn Bye. Unused Bye Runs will have Lane Choice. An entry cannot take two Byes unless all other entries have also previously used a Bye.
- At 8 cars racers will be put on a Pro Ladder based on Reaction Time from the previous round, with the higher qualifier receiving Lane Choice. A new ladder will be generated every round through the Final.
- In the event of breakage, you will have 30 seconds to fire up once the official notifies you that you are on the clock.
- Driver must start and finish eliminations of a given race with the same vehicle. No car or driver may be entered more than once.
- A "New Entry" is defined as a driver that has not been down the track.
- Deep Staging honored. All drivers are expected to stage in the timely manner.
- FOOTBRAKE called separate from NO-BOX for the first 3 Rounds of Main Events.
